

Parrot AR.Drone Central Cross Replacement

How to replace a damaged central cross.

Written By: David Hoyt

INTRODUCTION

How to replace a damaged central cross.

[video: <http://youtu.be/QRoFJBsQwOo>]

Step 1 : Remove the motherboard and navigation board

Step 2 : Remove the central cross fixings

Step 3 : Carefully bend the body to remove the damaged central cross

Step 4 : Look for the FRONT indication on the central cross and mount it

Final Step : Replace the navigation board and motherboard

To reassemble your device, follow these instructions in reverse order.
